

**GET
FORKED**

GET FORKED is a cooking competition show—**CHOPPED** with a **NAILED IT** vibe—that's also a dating elimination show!

In the spirit of the old MTV slate of dating game shows like **SINGLED OUT** and **NEXT**, we've created **GET FORKED**, the first cooking **AND** dating competition show on TV.

- *87% of people say that cooking is one of the top activities couples can do together**

- *90% say that a home cooked meal can help connect partners**

- *78% think cooking together keeps couples together**

There are intimacies and vulnerabilities associated with cooking for someone else. You can see how someone would act under pressure, get to know their tastes and styles, and even learn how they communicate. You know what they say: **the way to a person's heart is through their stomach!**

**According to a 2016 survey sponsored by Calphalon*

GET FORKED is going to revolutionize the dating (show) game because, not only are we adding the cooking element, we are making the competition *fully inclusive!*

From single octogenarians to polyamorous transgendered 40-year-olds to twentysomethings right out of college who have a thing for older paramours... it doesn't matter who you are or who you like, as long as you're open to finding love through food, this is the show for you!

Good riddance to those boring old dating shows focused exclusively on model-esque, straight, cis-gendered men and women in their 20's looking for red roses and traditional marriages. Culture has changed and so should the way we date. And it should be FUN!!

The goal of **GET FORKED** is to have as much fun as possible, and that means the best cook may not always win. This is a matchmaking game before it's a cooking game, and we want sparks to fly—the messier, the better.

And of course, our hilarious **HOST** will be on hand to add a little spice to the action.

HOST

DIXIE
CHICKEN

There's no shortage of extraordinary talent who would be great to host a hybrid dating/cooking show. We have several ideas, from recognizable faces like **Chrissy Tiegen** or **Lilly Singh** to lesser known talents such as **Amelia Dimoldenberg (CHICKEN SHOP DATE)** or **Dan Ahdoot**

GUEST JUDGE

In addition to our Host, each episode will feature a **GUEST JUDGE** from the worlds of cooking, relationships, or pop culture who will be in on the fun.

Not only will they guide our contestants in their cooking/dating pursuits, but the Guest Judge will also decide the ultimate winner of each episode!

Guest Judges could be celebrity chefs, comedians, and other new and recognizable faces, including but not limited to Jonathan Van Ness (*QUEER EYE*), Nicole Byer (*NAILED IT!*), Ina Garten (*THE BAREFOOT CONTESSA*), Yara Shahidi (*GROWNISH*), actress/activist Indya Moore, YouTube chefs Rosanna Pansino or Rachel Ama, or pop stars/foodies Taylor Swift, Nick Jonas, and Selena Gomez.

FORNAT

GET FORKED has a simple, two-round format:

In **ROUND 1** we get to know our **DATERS** through food, and in **ROUND 2** we turn up the heat in a one-on-one showdown that ends with the age-old question: **love or money?**

All the while, our Host will fan the flames of attraction as our Guest Judge makes sure we don't burn the house down.

ROUND 1

In Round 1, we meet our DINER and the three eligible COOKS vying for his/her/their affection. Each Cook has to make a dish of our Diner's choosing right there in the studio in a set amount of time.

No worries if the Cooks don't know how to cook; the Guest Judge is there to give helpful advice while the Host facilitates flirty conversations.

At the end of the Round, the dish heats up: TWO Cooks will be eliminated based on whatever criteria our Diner feels is important (this doesn't have to be cooking-related, this is a dating show after all!)

ROUND 2

In Round 2, the final Cook standing has to prepare a dessert, but we've turned up the heat once again: our Diner must ALSO cook!! They'll go head-to-head making a dessert of our Guest Judge's choosing.

Once both desserts are finished, they're presented to our Host and the Guest Judge, who will taste them and decide who wins.

Then we flambé: the winner gets to choose if they want to go on a real date or eliminate the other person and take a cash prize instead. After all, all's fair in love and sugar!
